August 11-13 **6th Grade Transition.** 6-8pm W, Th, & Fri. This is for students entering into the 6th grade. Meet us at the Sonrise Center. Basically, we want our newest members to know what our youth group is all about and how they can feel welcome, loved, and in the know from their very first day. The first day will be primarily discussion, the second day is a mission's experience, and the third day is a pool party. I am still looking for a few Sr. High students to hang out with us during these days and to act as mentors and guides.
